Map Disclaimer

This map is intended to inform users of the general locations of the first aid caches as well as known avalanche paths. This area has complex terrain features and requires recreation users to know how to "read" the terrain and snow. This map is not intended to replace knowledge and experience of snow behaviour and local terrain. Decisions to travel on snow should be based on the observed conditions at the time of travel. Always check the avalanche conditions before going out, website: <http://www.avalanche.ca/> Or call 1-800-667-1105
